

## Athmar M. Fard

October 11, 1939 - July 25, 2020

Athmar was born on October 11, 1939 in Iran and passed away in Turlock on July 25, 2020 from respiratory complications. Athmar is survived by her daughter Flora, her son Patrick, her grandchildren, Ben, Ezekiel, Samuel and Sophia, her sister Tamara, and loving nieces and nephews.

Athmar spent her early years in Iran. She lived in New York, Los Angeles and eventually settled in Turlock where she raised her son Patrick and got to spend time with her daughter Flora and other family members and friends.

Nana, as she liked her grandchildren to call her, liked to pick fruit, go for walks, enjoyed having coffee and playing cards with friends. She spent many days at church being a faithful servant. She enjoyed having her grandchildren over and took many train rides to Sacramento to care for them when they were young. Nana loved to be around people. She will be deeply missed by those who loved her.

All are invited to attend Athmar's graveside service which will be held on Thursday August 6th, from 1 p.m. to 2 p.m., at Turlock Memorial Park, 575 N. Soderquist Rd., Turlock.
