“ *Good bye papa for now, I know that you will be with us at all time as you always have been. No one can replace your love, care & support, I will miss your jokes, expressions, stories and sense a hummer. You were loved and respected by all your friends, neighbors & family members but most of all by your wife, kids, grandkids & great grandkids. I will miss your sarcastic comments every time I lost a game of backgammon to you and how you use to call every one to tell them that I have lost, I know that was your way of challenging me to improve myself in life. I love you and I have missed you very much!*
