Adrian Alfaro passed away peacefully on Tuesday, January 4th 2011 due to complications resulting from Zellwegers Syndrome, a peroxisomal disorder. He was 2 weeks shy of his third birthday. Adrian was a living angel here on earth and touched the lives of many in his short life. Adrian is survived by his parents Jose Chuy Alfaro and Carolina Alfaro, big brother Jose Chuyito Alfaro. He is also survived by the Alfaro Family of Tracy and the Gutierrez Family of Planada. He is preceded in death by his brother Diego Alfaro who also had the same disorder. A viewing and celebration of life will be held at Turlock Funeral Home on Sunday January 9 at 2pm, viewing begins at noon. Catholic Mass & burial service will be held also at Turlock Funeral Home at 12pm on Monday, January 10, 2011. Interment will follow at Turlock Memorial Park.
