“ *Bye Aggie. I am glad you are with Cesar now. I hope you find the peace you need and are running and young again. Tell Cesar I love and miss him. I will see you all one day again I hope.*

“ *Hey grandma, I miss you already. I know i just saw you but you weren't doing so well. Between you and Dad you both were there for me more than anyone when i had no one. When i had no friends and no one to look to for advice I could call you or Dad or both of you and talk to you. I thought when you and Nancy fought and called each other names it was funny. Whenever you swore it would make me laugh. I remember when I first saw you at the airport and your grin from ear to ear.  
Rest in peace grandma.*
