“ Agnes "Mary" Isaac

“ My Mother was recently admitted to Brandel Manor just a few doors down from Agnes, we heard her calling out in Assyrian, nurses were not familiar with that language, my Mom said lets go visit her, she appreciated the company, once in her room we realized that Agnes was the owner of The Kabob place and we reminisced about her delicious food and how we so enjoyed her restaurant. It brought a smile to her face. While my Mom was in Brandel, we would bring her chicken kabob dinner so she would feel at home, hospital food is not the best. After my Mom was released from the hospital, we visited her a few times to just comfort her and to bring some flowers. We will miss you, thank you for your service to your customers and we know you are in a better place. Rest in peace Agnes!
