“ Carol and family. I have known you all my life and Al about 40 yrs. He was a gruff old fart who scared the heck of me when I was a teenager. But I found out that that was just his persona. He as a crack up and I really enjoyed feeding him dinner while you guys were gone. So glad that I got to crack him up and he and Howard got to share a bottle of wine. I know this is going to be hard for you. But you have the knowledge that he is no longer struggling to breathe and he is at peace. Your friends and family surround you with love. He will be missed by all. Love to you. TKO and Howard
