Alfonso Rodriguez, Jr. November 19, 1980 October 30, 2009 Born in Turlock, CA., he now rejoices in Heaven above. Alfonso fought the fight of his life, against colon cancer. Through his strong faith in the Lord, he never gave up. Alfonso was always a character, before and during his illness. He spent weeks in the hospital, and joked about it daily. Nurses would say, Ill be right back. He would respond, Ill be right here. And, now, hell always be right here, in our hearts. You were an amazing husband. Our love for each other was so wonderful. You were my best friend and I was yours. I will miss you dearly. We shared so many memories together as a family. I thank God for all the time He gave us together. Daddy, youre the best. We love you, miss you, and wish you were here. You will never be forgotten. Son, Brother, our hearts ache at having to let you go. No family was ever more proud, even in the mist of your suffering your faith never faltered. You will always live in our hearts. We will always Love and Miss You. Alfonso worked at Intel, in the Bay area for many years before working for Foster Farms as a Refrigeration Mechanic in Livingston, CA. All the employees enjoyed working with him.
