“ My sister in law (Alice) and I go way back when she first came into the Vasquez family, we shared a lot of Good memories and a lot of bad memories, but her and I got thru it, her and Joe my brother during football seasons they would come to watch the games with me, even though they weren't a 49ers fan and I wasn't a raiders fan they would be at my house to watch the games, I would have plenty of food to eat on football day. I'm gonna miss her very much but I know she is in a better place then we are, Alice I love you and keep in mind we will meet up again one day.
