“ *Amal was a beautiful and caring person who gave so much of herself in caring for others whether they be family or friends. When our Mother, required 24 hour care, Amal helped in her in-home care and then when she required 24 hour nursing care, Amal transitioned to providing our Mom with steady companionship in conjunction with that nursing care in daily shifts. At home she cared for her family nonstop and was always willing to do so with a happy heart. She loved her family and friends dearly and will be greatly missed by all. We will miss her but are joyful that now she will receive that same care in Heaven by her God who loves her so dearly. As we commemorate her life we also celebrate her new life and Eternal peace, love and joy. Good bye dear friend and we look forward to the day we can all be with you again. Daniel & Emily Sciabica*

Thank you for the kind words. Enjoyed the time she spent getting to know your family and taking care of your mom.
