“ *What can I say, she was one of a kind. While growing up she was always so supportive and kind to us kids, She always had something good for us to eat after a swim at the canal. or just sat and talked with us to make sure life was going well for us, I loved her very much and I am sure she is up in heaven with dad talking about old times when they were kids and enjoying each others company, She will truly be missed,!!!!*

*My love and prayers to Marilyn. Jimmy and Marvin,*
