“ *I was very sorry to read of Richard's passing. Richard had been insured with Sid Virgo, Farmers Insurance, for many years. It was always a pleasure to see him each time he came into the office---he was always friendly and courteous, a very nice guy. He was always telling me that Sid and I should retire, as he had done---that it was the best thing to do and we would not regret it. Sid and I did retire from the business on January 1st, however, Sid was unable to enjoy the retirement as he passed away on April 6th of this year. Please accept my condolences to you, Richard's family. Connie Virgo*
