“ *I remember sitting with my Grandma. She would drink her coffee and I would drink chocolate milk. We would talk and watch TV. One day, when we were talking, she told me that I could be the President of the United States.*

“ I'm so sorry about Tia, She was such a beautiful lady inside and out, and very much loved by all her family and friends. She will be terribly missed. My special memory of her and Tio was when we were small kids, our parents would always drink beer when Dad and Tio Henry would bring out a guitar and all of them would sing in Mariachi, it actually sound good. To this day that is why I love Mariachi because of those memories. I love you all, God give you all strength and comfort!
