“ *NinaFae and Family, Our thoughts and prayers are with you and your family at this time. I have such fond memories of driving to California to visit with my parents, staying in your home, swimming in the canal and pool, water skiing at the lake, and driving to San Fransico. Most of all remembering having my appendix removed at the Turlock Hospital while we were there. May God comfort you, give you peace and keep you close in the days ahead.
Love Colleen Klaassen Zweep-daughter of Donald and VedaMae Klaassen.*
