“ *We are very sorry to hear of Artists oassing. We were neighbors for about 10 years. We have wonderful memories of him sitting on his porch and always busy around his Yard. He would love to watch our kids play outside and always keeping an eye out. He will be missed. We send our thoughts and prayers for this difficult time. Love, Kirt and Antoinette Lamb and family*

“ *Recently, when my wife and I spent time with Artie, he told me a lot about his life and construction endeavors, and how he took some big risks and sweated about them and made it through. He still had a lot of energy, vitality, and savvy when we saw him. Artie was timeless.*
