*To my cousins, Aurora, Joe, John and Maria, Times like this I wish I was closer to all of you. You all were a huge part of my life for such a long time. Wonderful, funny, sad....but all such good memories. I cannot take away the hurt you are all feeling, but know that I love you all and will be with you in spirit on Friday. Tia Aurora's light will now shine down on all of you here on earth for the rest of time and I only hope that brings some comfort. My deepest sympathies to everyone. Love, MaryAnn*
