“ *Ava you will be missed by so many people. You touched so many lives everywhere. Even tho I saw you once every few years ...every time I was around you it was just such an easy beautiful connection we always had that from day 1...since the first time we met over 20 years ago I always knew you were a special soul...you were real ...genuine and beautiful in every way. So many hearts are hurting right now and I will continue praying for God to help them thru it...I know you are in a wonderful place with nothing but pure joy still it doesn't make it hurt any less...we will miss you and I know Ben was right there waiting for you with a big hug....until we meet again my friend....I love you!*
