Hi sarkis, I wanted to let you know how nice the service was . I didn't get a chance to introduce myself as I had a prior commitment and had to leave. The 8 months I knew your dad we became good Friends, and shared our love of collecting sports cards. I lost my father also and sold a lot of his cards to your dad. Feel free to reach out to me if I can help you answer any questions on his collection. Take care . John 209-595-8164

“ Thinking of you dad. All your funny jokes. How you would teach me everything about basketball. How we would always go to Dairy Queen to get a blizzard. How we would play that duck game when I was little. I miss you so much dad.

My name is john, I met joe back in April , when he contacted me thru offer up about some sports cards I had for sale.we met almost every Tuesday since then to trade cards and talk about our passion of card collecting. We recently went to a sports card show in Santa Clara and on the way home me bought me lunch at his favorite restaurant in Livermore. Our friendship was sadly shortened but your memories won't be forgotten. Rest in peace my friend!
