

Babajan (Julius) Shaikhadeh

October 1, 1923 - December 14, 2020

Babajan (Julius) Shaikhadeh was born in the village of Ada in Iran on October 1st, 1923. He moved to Abadan to begin his career as an accountant, where he spent the next 50 years pursuing his passion for his career. He leaves behind his wife, Virginia Badal; his son and two daughters, Younard, Youlanda and Linda; and his grandchildren, Amanda, Anita, Anthony, Andrea, Rony, Maxine and Roxanne.

There are no words to describe my Dad. I will miss your laughs, your smile, and I will miss the time we spent playing bag gaming until late in the morning hours. I know you were trying to win hard (cheat), and this was my favorite time to spend with you. Your advice has been a guide for me my entire life. God blessed me with a great father and mother and a fruitful and healthy life, and that was and is the most important part of my life.

(You held my hand when I was small, You caught me when I fell , the hero of my childhood and of later years, In laughter and in sorrow , I know you're watching over me, Until that day that we will see each other again.)

Love your SON
