“ *So many fond memories of Aunt Barbara. I loved hanging out at their house when I was young but even more when I got older. Loved visiting with her and making her apple pie. She was tough but had a loving heart. She loved her family and took great care of all of them. She even wanted me to live with them when I was in high school and not getting along with my parents. She said I could have my own room and Rene could share a room with Kim-lol. She was crazy about doing laundry and painting the inside of her house. She will be missed by all of those who knew her.*
