

Bertha Aldaco

June 6, 1938 - March 2, 2011

Bertha Aldaco, our beloved mother, grandmother and sister, died peacefully with her family at her side following a lengthy illness. Born in San Gabriel, Ca to Manuel and Martha Aldaco. She met and married Alejandro Valdez from Tubao, La Union, Philippines before eventually residing in Tracy and Modesto. Her energy, spirit, compassion, kindness and loving heart touched numerous lives over the years. She was genuine. To her, being with family and friends was everything. She enjoyed being the life of the party, entertaining those with her immense love for singing, often with mariachi groups. Her singing brought smiles and joy to those who knew her. Her other hobbies were traveling, knitting and playing cards. She will be remembered for so many things, but nothing greater than a wonderful and devoted mother, sister and friend. She will be missed greatly. She is survived by her three children: Florie Hartzell, Marina Valdez and Alex Valdez, Jr.; her son-in-law Rod Hartzell; her grandsons Matthew and Michael Hartzell; five great grandchildren; sisters Mary Solano, Gloria Martinez, Ruth Mary Nelson, Rosie Ortega, Eloisa Negrete, Irene Alvarez and brother Bart Aldaco and numerous nieces and nephews; joins her deceased husband Alejandro Valdez, Sr.; parents Manuel and Martha Aldaco; sister Victoria Martinez and brothers Manuel and Daniel Aldaco. Viewing, rosary and graveside services will be at Turlock Memorial Park and Funeral Home (viewing on Wednesday, March 9 from 6 pm to 7 pm and rosary from 7 pm to 9 pm) and mass will be held at St. Stanislaus Catholic Church (7th and J Streets) on Thursday, March 10 at 11 am.

Graveside will be at Turlock Memorial Park on March 10 at 1 pm UPDATE In honoring the memory of my mother, who passed away on March 2 of this year, I will be participating in the 2011 San Francisco Kidney Walk on May 7. I ask for your help by pledging a small donation to assist me in my quest to contribute to the NKF. This will be the first step of many in my pledge to help with the National Kidney Foundation (www.donate.kidney.org) and anything you are willing to contribute would be appreciated. Every donation, no matter how big or small, can make a difference. I thank you for your time and consideration. And I thank you - from the bottom of my heart - in helping to keep my mother's spirit alive. Sincerely, Alex Valdez Jr.

“ *Mom, You were my everything, and though I may not have told you that often, it was something I had always felt. Time paases very slowly in my life now. Still, there are no words to describe your loss. I am devastated. I have a hole in my heart. I pray every night, but I'm not so sure if this emptiness can ever be filled. I think about you and cry every day and night. I miss my mother tremendously, but mom, I know you are at peace with all the other beautiful angels now, and I know that my sisters and I will someday be with you and daddy soon. Mom, you always will be my Por Un Amor. Love, Your son*
