“ Our heartfelt memories with Betty span more than fifty years ago when we both lived in Mill Valley, CA.

I had a piano studio then and Betty brought her daughter Kathy to me to give her piano lessons. Kathy was about five years old.

As time went on we moved to different areas and Betty kept sending a Christmas card letter every year to keep in touch. We loved receiving them.

Last Christmas we were able and happy to talk to her on the phone after unsuccessful tries. I did not realize it would be our last conversation.

You are in our thoughts and prayers and may God keep Betty in his Glory
