“ Mom, we were so lucky to have you for so long. Thank you for taking such good care of all of us, being a role model for us, and showing us just how strong a person can be.  
I know you were ready to go but it doesn't make the hurt of missing you so much any less painful.  
You will always be my guiding light.  
I love you more than words can ever express.  
Love you lots,  
Debbie (your mouthpiece)
