“ *I grew up going to church with Bev and her family at Eastside. She sang at our wedding. What a beautiful voice! She had a sweet spirit. I reconnected with her at Salvation Army events and she was always gracious. She will be missed. I count it a blessing to have known her. My deepest condolences to her family.*

“ Beverly Pritchard was such a wonderful, multifaceted and talented person. She played guitar for decades to accompany worship and to accompany herself when she sang solo in praise at church services. We met when we were both in high school and went to the same church and yourh group. We had so many fun times with the youth group. She had a wonderful sense of humor and I remember her laugh. She was a very kind and compassionate person and did a lot of outreach to people in need through her position at the Salvation Army. At Christmas time you could find Bev out in the cold outside Raley's playing her guitar and singing Christmas carols. She had such a joyful spirit during those times. If I tried to sum up my respect for Beverly it would be of her dedicated Christian walk and her sweet singing. I hope to hear her singing again on the other side. See you again, Bev!
