“ I had the opportunity and blessing to work with Bobby at Wells Fargo for many years. I know he loved God & his Family. I concerned him a good friend and even after I retired, we stayed in contact. My breath was taken away when I heard the news of his passing.

“ We would often see Bobby at weekday Mass at All Saints Church. He was consistently upbeat and hopeful. It was always inspirational to talk to him after Mass. We have admired Bobby and his whole family for their dedication to the homeless in our community by preparing and serving food at the We Care Shelter on a regular basis. Bobby leaves a void in the Our Lady of the Assumption community, as well. He and his family were active members. May Bobby be in heaven with the Lord at rest and at peace. May his family feel God’s love and blessings as they grieve his loss.

“ I meet Bobby in 2005 when Oscar and himself interviewed me. I had the pleasure working with him through his career from the start to his highest career level as a district manager. He was an individual who would light up the room the moment he would walk in. His values of his wife, family, religion and work were admirable. May his soul rest in peace.

Although I didn't directly work with Bobby, I met him in district meetings a few times and right away I could tell he was an amazing person. He would make the meetings fun and was always laughing and made others laugh along the way. He was a beautiful soul and will truly be missed. I pray God gives his family the strength to go through this difficult time.

“ I have the fondest memories of working with Bobby throughout his career at Wells Fargo, beginning in 1996 we worked together at the same branch and I can truly say those were some of the most fun filled days because of his impact, always laughing and having the best time. He would greet me with his Mrs Doubtfire impression which made me laugh everytime I heard him say Helloooo ! I am grateful for the opportunity to have worked with such a wonderful man who will be greatly missed.

My heart goes out to his family and pray for them all.

Warmest Regards,

“ Bobby Moules...I met Bobby in 2006 when I moved to the Central Valley. We would be in manager meetings and it would never fail that one of us would cause trouble. We would be making jokes & goofing off, because we understood that it was no fun to be so serious ALL the time. He was very kind, very smart and loved to laugh. May he rest in peace. ❤️👍

“ I've known Bobby throughout his Wells Fargo career. I consider him and his lovely wife Kathy as good friends. He made work fun- he loved the song. I'm a Highway patrol and would sing it on her way to work meetings. He always made us laugh- getting us in trouble sometimes. 😊 He will be greatly missed. My heart and prayers go out to his family.

“ I started as a part time Teller a little over six years ago and Bobby was my District Manager. His leadership and personality brought a joy to his branch visits. He also looked for positive ways to recognize the team and build us up. My most memorable memory was at the new hire meeting in Stockton. He played the video of him and his daughter dancing at her wedding. I remember him saying, "if I'm going to do this, we're going to do it right!" And he sure did. I remember how big his smile was and rocking all those steps. I'm so glad memories like this will fill his family's hearts during this time. I will always remember him fondly.

“ I had the privilege of working as Bobby’s assistant manager, and during that time, I not only got to witness his incredible leadership but also came to truly admire and respect him as a person. He was such a remarkable individual—kind, wise, and full of integrity.

Bobby will always hold a special place in my heart. I’ll forever be grateful for everything he did for me, both professionally and personally. His guidance and the lessons he taught me have left a lasting impact on my life, and I will never forget him.

Please know that my thoughts and prayers are with your family during this difficult time.
