“ *Vicki, we are so sad to hear of your loss. We cannot even begin to understand the pain you must be in. Even though we never met him, he was family and thought of often.*

“ *Vicki & Family...words cannot express how this tragic event has affected his Missouri family as well. This similarities to 20 years ago is just a reminder to each of us that our children are only lent to us and some for a short time some longer. We sincerely hope that you can find some peace at this time as we prepare for the birthday of or Lord Jesus Christ. Keep the faith and HE will protect you and help you along the pathway of recovery. Wish we could be there with you, but please know how much we love you and are with you in spirit. Love Jr. & Janice*

“ Dear Michelle and family. I again am so sorry for your loss. Brandon was a great person, although we did not have anything in common (hunting, 4 wheeling, fishing) but Dave did, and he really enjoyed talking to him. I am not sure if he ever told you this, but on May 12th of this year, I came home went into my house and I started singing Happy Birthday to my dog (I didn't realize how loud I was singing) until I came out to get the mail, and Brandon was doing the front yard. He said to me "I hear it is someone's Birthday today" I was so embarrassed, because as I have been told many times, I sound like cats that are in a fight. It made me chuckle as I thought oh my goodness, he must think I am mad.
I am glad that we got the opportunity to meet Brandon. You are in my thoughts and prayers. GOD BLESS you and your family. Corrine Tyler
