“ *If tears could build a stairwell and memories were a lane, I would walk right up to Heaven and bring you home again. No farewell words were spoken, no time to say good-bye... You were gone before we knew it and God knows why. Our hearts still ache in sadness and secret tears still flow. What it means to you lose you, no one will ever know. We love you daddy and wish you hadn't left but we know one day we will meet again.*

“ *Brian "the Brain" Snider, you see where he worked at Sunnyside Farms a lot of guys are given nicknames and Brian was given the nickname of the Brain, reason is he had an answer to just about everything, he loved analyzing things and he was very good at it. As a supervisor here Brian was an outstanding filler operator in the OJ department, Brian came up with many improvements and corrected a lot of things to which speak for his nickname. Brian always had his kids on his mind, they meant so much to him and he and I shared many joyful moments about them and he wanted to be that great role model. Brian was more than a coworker to me, he was my friend and he forever will be. God Bless You Brian.*

“ *I knew Brian in elementary school. Even though that was a long time ago, I still smile when I remember what a nice guy he was. I am truly sorry for the loss your family is experiencing. I saw this quote and it struck a chord with me so I thought I would share it:*

"Love is stronger than death even though it can't stop death from happening, but no matter how hard death tries it can't separate people from love. It can't take away our memories either. In the end, life is stronger than death." - Unknown

“ *To Brian's Family,
I will always remember Brian as a student at Denair Elem. School when I was an aide in his classes. Such a sweet young man. So sorry, he is gone, but I shall never forget him. R.I.P. Brian*

“ Brian was always the original Brian in our Class of 93 in Denair...he was also one of the first to welcome me to Denair in the Second Grade. Brian was the type of kid and man that people gravitated towards, he was a silent leader, the type of person that everyone wanted to be around because his zest for adventure and good tiems was contagious. I may not have seen Brian for the past 15 years but he will always be a part of my life from the many great experiences that we had growing up. Rest in peace Brian and condolences to his entire family.

“ Brian, I remember you as a sweet, funny, smart, and generally nice guy that everyone liked. You always had a smile and a nice word for everyone. I am so sorry that your pain overshadowed that smile. I did not know you in adult life, but I hear the wonderful things that everyone has to say, and I can tell that that sweet, kind young man grew into an amazing father and human being. It is important for your children to know how much you love them, and how much everyone here loves you. Rest in Peace, Brian.

“ You were always such a gentle guy. taller than me, with amazing big eyes, you were quiet, yet had a chuckle that could start the whole room laughing. I remember several times, when you run up behind me in school and pick me and scare the heckout of me. I was no little girl in school.. and you would gently set me down and walk on by. I also remember the day I came running up from the school farm after having my hand smashed, only to find no one in the office to help me. You were in the library and you grabbed papertowels, I was still crying like a big baby so you leaned over and kissed my ear. I was so shocked I stopped crying immediately and moved about a foot away and started laughing. Mrs. Vernooy walked in and you went back to the library... I will always remember that look on your face and the way I was laughing.
