“ Sweet Briana ☐
I never had the chance to meet you, but through your mommy’s videos, it feels like I know you. Your smile and light still shine so brightly. Your mommy is showing the world the beautiful girl you were, your love for the planet, your care for turtles 🐢, and how much you loved making TikTok videos. Thank you for the love you continue to share with the world. You are famous now, sweet girl. Sending so much love to your beautiful mommy, who never forgets you and always visits you. You are deeply missed and forever loved

“ *I don't know Brianna or the family but I found your story through TikTok and my heart absolutely breaks for you. I'm 2 days older than Brianna, I was born October 11th 2008 in Michigan. I've been 3 car accidents in the last 2 years one involving a drunk driver driving the vehicle I was in. So your story hits really close to home. Cars are terrifying to me, I have panic attacks almost every time I'm in the car. But now after hearing your story I not only want to learn to drive but drive myself places once I can even though I've been swearing I never will. Your daughter is truly a beautiful girl, and I can tell she had a really amazing soul. You did well mama ☐ Brianna will live on through me and I'll bring her along for all the special occasions. I know I'm a little late but I would love to be you're daughters friend from down here ❤️❤️*

“ I'm not any one you know, I seen several of your post on tic tok, and decided it was more than important that I send the family and friends of Briana my most sincere condolences. I also wanted to say a lil something to such a beautiful young lady, who isn't supposed to be gone, but enjoying life.

Dearest Sweet Briana, you must be a beautiful angel who has her wings, and been given the biggest duty to watch and protect your family from your new home, it's unfortunate that things happened the way they did for you, and nothing I say will change to bring you back. Your family really loves you, and not a day goes by without you being thought of, you don't know me, and I don't know you, but you touched my heart, and I just wanted to tell you personally to rest in Paradise and fly high! Forever 11, but never forgotten. Thank you for letting me pay my respects, to you, Ms. Briana G. Sanchez, a beautiful lil angel, rest easy sweetheart.
