

Chris M. Browning

August 31, 1953 - January 23, 2025

Chris M. Browning passed away peacefully at home surrounded by his loved ones on January 23, 2025, in Turlock, California, at the age of 71. Born on August 31, 1953, in Turlock, Chris grew up in nearby Delhi and graduated from Livingston High School.

A hardworking and dedicated individual, Chris owned a refrigeration business for over 35 years and continued working until his passing. Earlier in life, he worked as a farm laborer and served as a volunteer firefighter—a role he cherished deeply and often reminisced about.

Chris had a passion for restoring and collecting antiques, finding joy in breathing new life into treasures from the past. His pride and joy was his at-home bar, which he lovingly crafted to rival any bar in town. He enjoyed barbequing, sharing laughs with loved ones, and telling stories that showcased his quick wit and humor.

A long-standing member of the First Southern Baptist Church of Delhi, Chris's faith was an important part of his life.

He was preceded in death by his parents, Glen and Marcella Browning, and his son, Manuel Pimentel. He is survived by his children, Amey Pimentel, Colby (Toni) Browning, Chas (Ben) Sierra, Ryanne (Rocky) Gouker, Gary

O'Brien, and Rob Peichoto; his grandchildren, Anthony Pimentel, Brittny Pimentel (John Caudill), Colby Browning Jr., Drake Browning, Eli Sierra, Stella Sierra, Kayleb Amaya, Kynlee Amaya, Zoey Borba, Niko Salazar, Kiana Salazar, Sydney (Tommy) Ravera and Zachary Bromley; his great-grandchildren, Tommy Jr. Ravera and Waylon Ravera; his brother and best friend, Philip (Debbie) Browning, as well as his brothers, Steve Browning and Scott Browning. He also leaves behind his beloved dog and "favorite child," Callie Browning.

A funeral service will be held on Saturday, February 1, 2025, at 2:00 p.m. at Turlock Funeral Home. Following the service, Chris will be laid to rest at Turlock Memorial Park.

Chris will be remembered for his humor, craftsmanship, and the joy he brought to those around him. May his memory bring comfort to all who knew him.

As I sit down, to express a few thoughts about my Amazing Neighbor Chris...this summer would of been 15 years, that we were neighbors. Came to find out that his parents had taken my senior pictures...small world after all.

Ever since I moved into the neighborhood Chris was always so kind with a generous heart.He would edge my lawn, and many of the others neighbors, it's something he enjoyed doing,out of the kindness of his heart...just because, with wanting nothing in return.

He was the World's Greatest Neighbor....I always felt safe and knew in a heartbeat... I could call on him....which gave me a since of peace and I felt safe!

I smile....he truly had a heart of Gold...many times I would witness him giving the mailman there favorite cold drink.... Mountain-Dew, Water etc...

...the kids in the neighborhood, knw if they went to Chris's front door, he would have a cookie or a candy for them.

I smile....yes Chis did indeed love breathing new life into old antiques...many times I would see him spray painting something in his front yard...I recall not too long ago, he was out front spraying something, we chatted a bit about it...it was an old sewing machine table, (he said if I see another one, I'll get it for you and restore it...I smile...warms my heart, thinking that he would do something so kind.

The one he was restoring, he has it outside his front...so know when I glance over at his front door it brings me a since that Chris's spirit still in the neighborhood...

Going to miss his waves and smiles when he drove by in his work/van.truck.

*****Chris truly was the Amazing Neighbors!*

The Best! Hands Down!

I'm deeply sad by his death...he was like a big brother to me, felt so safe, knowing he was there.

~~~ I believe he's in heaven watching over us.

I extend my deepest heartlet sympathies to all of Chris's family and dear friends.....May God comfort all of you with his grace and strengthen.

My Prayers that God will comfort you n the coming days, weeks, months and years.

"Those we hold closest to our hearts never truly leave us. They live on in the kindness they have shared and the love they brought into our lives" Thank you Chris! Love, MaryJo

“ *So many things come to mind when you lose someone that you love. I have so many good memories of my brother especially when I was growing up. Our jobs and busy lives often kept us from spending quality time together, but I will always love and miss you Chris. From your little brother Scott,,,*
