“ My deepest sympathy to Tony and the entire family in the loss of Christine. While I only knew her three years, she became a friend instantly and I always looked forward to our visits when she cut my hair. She was an amazing lady and I am blessed to have known her.

In lieu of flowers, I have chosen to honor Christine's courage in fighting breast cancer by making a contribution to "Susan G. Komen" in her name to sustain their mission to educate the community and fight to end breast cancer . When I receive the acknowledgement from the foundation, I will forward it to Tony.
