“ *This is my grandpa, we all called him "bap" because of his children. I remember he gave me a little backpack from Australia it was a kangaroo backpack that read "I♥ Australia". I still have it to this day it's a bit messed up but good enough to hold all the memories in it.*

I miss him, I miss seeing that smile on his face. Although while he was still alive I barely spoke to him. I was always too focused on my little cousins, I regret that and hope he can forgive me.
