

Daniel Nunes Lourenco

January 18, 1980 - December 15, 2024

Daniel Nunes Lourenco was born January 18, 1980 in Turlock, California. Daniel studied at MJC and then Stanislaus University where he studied computer science. He was our quiet, gentle and quick-witted brother, son, father and husband. He was fiercely protective of those he loved but Daniel knew no enemies; he was a friend to all. Saying he was a devoted husband and father wouldn't adequately describe our Daniel. When he wasn't devoting his time to his family, you could find him helping out a friend with a computer problem, at the church fixing a website error, or maybe, just maybe, out on the river with Matthew for some quick fishing. We can't forget his occasional Tuesday night indoor soccer games with his brothers and friends, or his endless hours helping support the success of the non-profit: Spirit of Father Mata (Brasil) and Teams of Our Lady. Daniel was a loved employee and boss. After long and successful careers at City of Turlock and TID in IT and cyber security, he started a new chapter at Gallo Winery. Daniel was a dedicated husband. He and Jennifer were truly an inspirational marital team deeply rooted in their faith and whom many admired. We are comforted to know that he and Jennifer will be together again in the presence of God.

Daniel leaves behind the broken hearts of his parents Francisco and Mary Lourenco; his brother Frank and Nancy Lourenco; and his sister Elizabeth and Jeffrey Severson; along with many nieces, nephews and friends.

“ Daniel and I worked together at the City of Turlock. He was the most kind, thoughtful and sincere person I ever met. My heart is breaking to hear of this tragic news of him and his family. Prayers. To y'all. God has gained a true angel with great computer skills.
