“ *Dave, you were complex, complicated but what a heart of gold! Taking the shirt off your back, and mine, to give to others! You loved my kids, raising them as your own, and loved your own family with a passion. You were a Dad, Step-dad, and Papa Dave to all your grandkids and great-grandkids.*

*You have had many journeys in you life so I thank you for all the positive things you did for all of us. I will always treasure the good memories. But, above all else, I will always remember your genius wit and humor. So happy that I will see you again! You beat us all to Heaven...*

“ Dave you were such a huge part of my life, always joking no matter the situation, always testing my patience but always full of love. I think it's been nearly 25 years you've been in my life but these last 5 years I will forever cherish in my heart, we became so close, all our heart to heart talks, yelling matches, prayer times , I'm truly going to miss all of it, I already do.. I know your free now , resting in eternity, until I see you again Old Man.. Love you..
