

David Milton Muller

February 28, 1936 - July 11, 2025

Born in Turlock at Emanuel Hospital to Carl and Ebba Muller, Dave attended Denair schools kindergarten through high school. Dave told the story that when in second grade, he met a cute first grade girl who had taken over the sandbox during recess. That little girl, Bonnie Troedson, became the “joy” of his life.

Dave graduated high school and attended UC Davis earning a BS in Plant Science. He then served two years in the Army. Dave and Bonnie were married during this time. After his service, they returned to UC Davis where Dave completed his Masters in Ag Economics. Dave and Bonnie returned to the family farm in 1961 where they lived and raised their family. Dave focused on developing a Holstein herd that was second to none. He instilled values of hard work, honesty, and gratitude to his family and many others who spent time with him working on the ranch.

Dave was very community oriented. He devoted himself to the Denair School Board, Masonic Lodge, Farm Credit, Nazareth and Good Shepherd Lutheran Churches, Rotary, and the Saturday/Knife and Fork Club, among others.

Dave is survived by Bonnie, his sister Betty Jo Brown, four children Bart, Eric (Lisa), Wesley (Andrewa), Amy (Thad), ten grandchildren, and three great-grandchildren, along with many nieces, nephews, cousins, and extended

family members.

He is preceded in death by his parents, Carl and Ebba, and brother-in-law Bill Brown.

In lieu of flowers, please send remembrances to Good Shepherd Lutheran Church, Westside Ministries or the Salvation Army.

“ *Our family lived down the road from the Mullers and my brother and I spent lots of time at their house and around the dairy. I believe Dave gave my brother Van his first job. I remember him as quiet and kind and always got a kick out of seeing him drive past our house in the traditional green and yellow Muller Dairy Farm flat bed truck, often with a dog on the back. The community has lost a good one and I send so much love and sympathy to Bonnie, Amy, Bart, Eric, and Wes.*

“ I have enjoyed several reunions (class of 52) at the Muller ranch. My prayers are with the Muller family. Dave was Mr. Denair as he served the community so graciously.

“ Dave Muller was one of the best men we have ever had the honor of knowing. We were his neighbors in the 70's to the mid-80's. He was always willing to help no matter what the problem. Once when my husband's boys decided to sell rocks (anyone could do a lemonade stand) he came over and made their first sale of the day. He made them so happy. When our dog got hit, he was there to help, when our irrigation overflowed, he didn't get angry, he helped us get cows in, and we help him the same. Dave was a good dairyman and farmer. Most of all he lived his faith and shared his values. Our loss is Heaven's gain, our condolences to his family, and we know you will meet again.
