“Dad I can't believe your gone, I'm so unbelievably broken!! When I lost my Mom I lost myself in the grieving process because she was the Rock of the Family the one who made sure we never forgot Family comes first!! But this feels different for me because no matter what happened good or bad you always stood by my side Dad, Thank you! You were an Amazing Father, Grandfather, Great Grandfather who taught me so much about life! Words cannot express how grateful I am that you were My Dad ❤️❤️ you taught me strength, respect, compassion, love and forgiveness but most of all you opened my heart and proved that blood doesn't make you Family, it's the ones you share your life with the ones you decide to go on the journey of life with! I will ALWAYS LOVE YOU and keep you close to my heart because you loved me and my family unconditionally and never asked for anything in return except Love & Respect! Don't ever forget you will always be My Dad!
