“ Dennis was my high school soccer coach for two years. He’s a great man! He looked like a tough guy—and when he was running conditioning drills he was—but he was really a giant teddy bear with a heart of gold. He taught us to work hard. I have a lot of respect and gratitude for him. He preserved a love of the game, challenged us to grow our skills, and invited us to live good lives just because of who he was and the genuine care he showed. Thanks, Coach! Thanks for seeing the good in simple things and cultivating the good in others. ‘Til we meet.

“ A friend in high school...A friend at New Life Christian Center. One of my fondest memories was driving by Turlock High School. You would see his girl's soccer teams running the bleachers. It sure paid off when the other teams were tired...

“ I remember our first meeting at Crystal Falls you were the life guard and I was the awkward girl. You were so nice and stuck up for me to that creepy other life guard Larry. I remember Janet asking me if there were any cute guys at the lake. I think the rest of that summer is history, because from that moment on you were in our lives. I know at times it wasn't easy dealing with all of us that came with Janet....lol

Thank you for always sticking up for me, taking me fishing and being a big brother. I have so many fond and life long memories. You will truly be missed. I know you are in heaven and you are taking in all the amazing beauty, speaking with Jesus and visiting with all that have gone before you. What an amazing feeling. Until we me again remember Kayla and I love you.

“ So sorry to hear of Dennis passing. I have great memories of the years Dennis coach my daughter Nicole soccer team. Dennis was one of the best soccer coaches I have seen. We did a lot of traveling with the team and families of the girls that all played together. Dennis you not only coached a great team but you created families who bonded together with lasting friendships. I will treasure these memories. My heart goes out to Dennis family during this difficult time. May you find peace knowing Dennis will always live within your hearts and memories. 🙏🙏🙏🙏❤️❤�
