“ *Scott and Kristi,*

I can't believe your dad is gone. I have so many memories that include both of your parents. But these last few years, after your mom passed, we were closer. Then Norma and Kaytee and I became his "Girl Gang" as you called us. He would call me every two or three days, sometimes just to check in but oftentimes to plan our next food-centered outing. Already I miss those calls.

I know your hearts are hurting. Just know that you are now part of the family that is your parents friends. Let us help you when you need it (even if you don't know you need it) and know your Dad isn't forgotten. He's watching over us now. Huge hugs.

Thank you Chessie! That was so sweet of you. Dad loved his friends & you were a true friend to him. Thank you for being such a big support to him after our Mom died. And thank you for all of your support this past couple of months.

*Luv you!

Having know him my whole life, he has always been a bright spot wherever he went. Thank you for sharing him with the whole of Turlock. You are all in our thoughts.*

Knowing Don for the last 6 years of his life was a true blessing. We shared the love of our heavenly father, our faith and our past love of motorcycles. I
