“ *I just heard about Don's passing, and want to convey my sincere condolences. I loved being part of the reading program with Don, Larry, and Evert. It was indeed an honor to learn from them. Don was a professional teacher who cared deeply for the students and worked diligently to provide the best ways to help them become better readers. He was happy to share what he knew with me. He was kind and giving, a true gentleman at all times. I was fortunate enough to see him several months ago in Raley's where he was as warm and friendly as always. My thoughts and prayers are with you and hope his memory will bring smiles whenever possible because you were truly blessed to have him in your lives.*
