“ *My fondest memory of Donalie is when she visited me in the hospital when I had my first open heart surgery in "98" She was so kind and reassuring and made me realize how helpful it is to hear from someone who has been there. Donalie was always there for so many people and I will miss her beautiful smile and positive attitude.*

“ *My prayers and thoughts are with you, all of your family and friends at this time. Donalie was a wonderful person. It was a pleasure to have known her. May your faith and love see you through this most difficult time.*

“ *My sister was married to Donalie's brother when I was very young - I remember Donalie as being a warmhearted, loving and beautiful woman, I know she will be greatly missed, and I grieve for her loss. My prayers are with her family*
