“ Our deepest sympathy to the family and friends. Doyle was my cousin, my (Hubert) dad was Robert Turnbough. Robert and Jr were brothers. I can remember good times at Uncle Jrs and Aunt Anniebelles, when we were kids. God Bless you all.

“ I just saw Doyle at my mother's (Dorothy) funeral in October. He was a good person and will be greatly missed. I am so very sorry for the pain my grandmother has had to endure the past 3-4 years. I hope this is the end of losing our beloved family members for a long long time.
Doyle, I hope heaven is wonderful and that you are enjoying seeing Tommy, my mom and your dad again.
Love to all of the family. Cindy

“ Doyle and I grew up together in Arkansas. Our familys were very close in those days. We played and worked together and our familys came to California together. I saw him at Dorothy's funeral for the first time in several years and we talked for several minutes. He seemed to be doing well. I do believe we will talk again in a better place. Go with God.
