

Elaine Lueck

August 24, 2024

Elaine Lueck passed away peacefully on August 24, 2024 at the age of 91. Elaine spent the last seven years living in a Retirement Home in Oak Harbor, WA. Prior to that, she lived her entire life in the Turlock area. She is survived by her two children Terri (Ray) Crane of Oak Harbor, WA, and Scott (Kristen) Lueck of Afton, MN; four grandchildren, Robert, Jason, Andrew and Rebecca and nine great-grandchildren; two sisters, Violet Alexander of Oak Park, CA and Clarice Nelson of Matthews, NC. She was preceded in death by her husband, Percy Lueck, and brother, Ed Backman.

Elaine loved to serve others as she and her husband, Percy, opened their home to family and friends. Many connections and friendships were formed through her hospitality as she hosted numerous parties, often inviting new people to come. Elaine's hospitality provided a safe place for new people to connect, turning strangers into friends. Elaine loved her Lord and Savior, Jesus, and encouraged connection and involvement in the church community. Elaine also had a sense of humor and enjoyed playing practical jokes and laughing with others. Although she only took a couple lessons in elementary school, she learned to play the piano by ear, a talent that she was blessed to enjoy. During her early years as an adult, she was a church pianist, playing for worship services.

“ i was your caregiver towards the end of your life, you were one of my favorite patients to care for. you were always asking me about my family and goofing off with me whenever you'd ring your call bell. you were and always will be an angel in my eyes.

“ The Luecks and my parents had many adventures together from cruises to time in SoCal. Elaine brought joy and fun to every encounter. However, we go back further than that. I worked at Bethany Home when I was in high school in the kitchen where Elaine was a nurse. She will be missed here on earth but is having a great time in heaven now.
