“ *EMELIA! You sure are gonna be missed girl! That infectious personality, full of laughter, joking attitude, bright smile, and an easy-going mannerism..... you loved life, friends, family and people in general! You had a heart ❤️ as big as the moon! And you always liked helping everyone, you didn't make a big deal about it. It was just you being you....we sure had some good times growing up you your sister me and my sister THE FOUR MUSKETEERS. We had a lot of nice clean fun good times good memories. We all grew up, went in separate directions, but we never did really forget each other. We would stay in touch from time to time. Our memories stayed with us and will always stay with us until we all see each other again and make some new memories. I love you girl rest in peace peace.*
