“ *Emily has been an extended part of our family since we first met her almost 10 years ago. She was a sweet down to earth woman with the biggest heart I'd ever seen. May she Rest In Peace and God be with her family in this tragic loss of life - gone way too early! You'll be forever loved and remembered Miss Emily ❤️*

“ *Emily was a great neighbor and a very sweet lady. We had many things in common. I always enjoyed talking with her. I will miss her so much. Sincerely Karen Rigsby*
