“ *I found this poem today:
SILENT CHILD My silent child, our precious baby, Close to my heart
I'll Keep you with me. An important job God has for you, There is
love to give, and work to do.
He needs an angel strong, but small To shine light on many and give
love to all. Before you go I give you this, half my heart and one last
kiss.
We'll miss you dearly that we know, But by God you were chosen,
So to heaven, you must go.
My thoughts and prayers are with you, Kathy*

each other close, God closer, and Emma's beautiful spirit alive in
your heart and happy memories.
We love you!!

“ Matt & Heather, Tyler & Jayden,
You are foremost in my thoughts this morning...the day we celebrate Emma's life. I love you with all my heart and I wish I could cushion you from this most cruel of life's blows. However, I can't; so I will walk with you down the path of grief. If you need to lean on me, I'll be there....your faith and strength in the Lord inspire me. I value your friendship more than words can express. God bless, cradle and comfort you all dear ones.

“ *It's difficult to find the words to express the sadness in our hearts, and to offer our condolences to your family, but when we left the services for Emma today, Sheli and I both felt better, and you are right, it is good to laugh and share stories of precious Emma. You have lifted us! We have always had faith, but ours is stronger now than ever before. Your family is such an example of strength, faith, and courage. Already we are seeing good from this tragedy. We are reminded of the blessings of family and friends, and the wonderful community we are a part of, and how our faith in God can help us through anything. What beautiful messages were conveyed today. Please know that you have touched the lives of countless people, and their children, today. Your message will not soon be forgotten and neither will Emma Grace!*

I only knew Emma for a about a year of her wonderful life and I have to say I will be forever touched she was an amazing little girl and I'll never forget her. Especially the way she screamed my name!!! Also just know that I'm here for you and your family for anything you may need! I'm truly sorry for this and know that words I say can never be enough, but you raised an amazing little girl and she was very lucky to have you as parents! Rejoice that she is with the lord now and is forever happy rapped in his arms. And again if your ever need anything I'm always here! Love you guys!!!*

“ *There's no words I can say to make things better and I can't even try to understand how you must feel. I think of your family everyday and you are always in my prayers. Sometimes you just have to trust that the Lord knows what he is doing and has a reason for Emma to be rejoicing with him so early in her earthly life. I pray for comfort and strength for you all. If there is anything I can do for you, don't hesitate to ask. I am so sorry for your loss.*
