“ *Erma always had a smile on her face when we visited while she was in Paramount. Such a gentle and gracious person who faced her limitations with grace. Rest in Peace, Erma. All will miss you.*

“*Erma was my friend, my mentor and my sister. I grew up sharing our bedroom, clothes and mutual friends. We played together , danced together and laughed together. As a beautician she taught me a lot about hair care , how to cut hair, curl hair , bleach hair and color hair. I still use her advice. Erma was generous to everyone she met. She had the biggest heart I knew. if only her poor health got in the way she would have still been setting the fire with her lively spirit. I will never forget you sister Erma.*
