“ So sorry I couldn't make it to the Memorial for Eunice. My thoughts and prayers were with you at that time. I always looked forward to seeing and visiting with Eunice since we moved here to California in 1955. One of the special things in my life was knowing all our cousins and visiting with each other. It was always a bright time in my life to see and visit with each other. Remembering all the parties we attended and the shopping bags of paper back books that Eunice and I exchanged. Special prayers and thoughts to Clarence and family.
