“ *Our deepest sympathies to the Hinojosa Family. Our Mom sends her prayers to your family. Our Mothers had been friends for many, many years. As they grew older they would keep in contact via a telephone call. We always knew who was on the other end of the line because our Mom would say "ay Cuata, ay Cuata." They would have lively conversations and it seemed to take a long time saying goodbye. We clearly remember hearing our Mom saying "ya me voy Cuata, ya me voy Cuata," but the conversation would continue. Your Mom was a kind, caring and loving woman. Our family feels so blessed that our Mom was fortunate enough to have had such a good friendship with your Mother. May God bless you, and help you through this difficult time.*

“ *I have the warmest memories of her, she always showed me the warmest hospitality. I would come to walk to school with Rosa in the mornings and would have some of her tortillas (they were the best). When I think of my childhood she is always one of my fondest memories and no one ever made better tortillas than I remember hers to be!*

Thank you for your hospitality and kindness.

*My sincerest thoughts and prayers go out to Rosa and her family.
God bless you all.*
