*Thinking of you often my friend florencio you were a special person wish I had known you better I can't believe you're gone and I miss you so much rest in peace my friend*

“ *My heart just broke. Florencio was one of my best friends, we used to be really close. We met at La Morenita in Ceres before the new one was built. We've had SO many fun times working together, going out dancing, playing pranks on each other.*

*He loved his nephews to pieces as well as the rest of his family and friends. I used to call him Flowerpot, it was our code word. He was always funny, caring and tried to see the best in people.*

*The world truly lost a very special person. Now he is in heaven, looking over us all. I love you Flowerpot. See you up there one day.  
XOXO*
