“ *I remember all the time I went back to Sao Jorge to visit her. We had some good times playing card games at night with her and the neighbors until the late hours and she would say it's passed midnight we should all be getting to bed. The best time was when I went for 5 months. I had a contract with her. I would help her in the morning in the fields and the afternoon was mine to go to the beach with my friends. I will miss you Avo.*

“ *So many memories. I remember when I would go visit her in Sao Jorge and she would make me fresh french fries because she didn't know what "Americans" liked to eat.*
