“ My deepest condolences to the Mota Family, my prayers and thoughts are with you all, during this times of sadness, my Family will truly miss this lovely lady. It was such a pleasure having her as our neighbor for 29 years. I am going to miss her so much.

I would look through my kitchen window and see her sitting outside or just to have a conversation with her on her porch. She was such a positive person in my families life, she is going to be missed very much, till we meet again Sr. Francisca.

Thank you so much for taking care of grandma and always making sure she was okay. She was like a mother to your family and I appreciate all you done for her.
