“ Sending my condolences to all of Frank Cabrales's family. He will be missed by many, all of his work friends, he had many because he had a personality that made him a lot of friends. He will be missed by his wife and family whom he loved and cared for so much. But most of all he will be missed by me and my husband we have lots of memories he left with us. The first time I met Frank he was engaged to my sister Lucy his wife now. My mom sister Virginia, and brothers Tommy & Leo we went to meet him I was like 11 yrs old when I saw him I couldn't believe he was my height he was less than five feet tall & very handsome my sister Virginia & I would fight as to who was going to hold his hand when he took us places like the beach, fisherman's worf, the zoo. He was not tall but he had an enormous kind heart and I will never forget it. My husband & I will always remember all the good times we spent together when we went over to visit on vacations he would take us to San Fransico, China town where we enjoyed shopping one time we went when we came out of the store he gave me a gift it was a very cute tea set which I still have and will cherish it for the rest of my life. Frank enjoyed going to the casinos he liked playing the roulette table most of the time he was lucky but when he wasn't he would say had to stop it almost took all my money. He also would call Chino three or four times a week about the Mega & Powerball numbers my husband misses his calls because he stopped a few months ago. We love him and will miss him. Our thoughts and prayers are with him always. Terry & Chino Molina
